

MES One-on-One Edification, Exhortation & Comfort Activation

In this one-on-one activation, you will be given an opportunity to minister to your fellow MES student incorporating teaching tools that you have already activated in the class setting, with a few modifications.

In this activation the prophetic word is to exhort, edify and comfort.

-MES staff has selected the person that you will be your partner for this activation.

There is a beginning and ending of this prophetic activation

-You decide which of you will share first.

-Have your recording device ready for accountability

1Corinthian 14:3, “But he who prophesies speaks edification and exhortation and comfort to men.

-Edification to uplift, improve morally or intellectually,

-Exhortation encouraging someone to do;

-Comfort is ease, freedom from pain, prosperity

Still believing and being sensitive to how God speaks to you by hearing, sensing or seeing.

***Being willing to practice, and not using phrases like, “thus saith the Lord.”
Instead use words like this is what I sense, or this is what I feel.***

Always keep in mind this is a training school setting and we give each other an opportunity to grow into...becoming through stirring of gifts within each other... a safe place to grow.
